Exterior Modification Request Form

Name: _____

Address: _____

Home Phone: _____ Cell Phone: _____

Description of Modification:

Location of Modification:

Please Submit One of the Following:

- 1. Manufacturer's Information
- 2. Working Drawing/Sketches

The Following Conditions Must Be Met:

- A. The Modification meets all Association specifications applicable to modification.
- B. Common areas have been returned to their original condition.
- C. The Modification is entirely built within the deeded boundaries of the unit plan.

I understand and agree that, if approved, the modification must be completed as specified as above and that no changes to these specifications are included in the actual modification unless approved by the architectural control committee. The modifications must be maintained according to association standards and that all cost related to said maintenance will be the responsibility of the owner of record, unless otherwise stated by the covenants, bylaws or rules of the association.
